To the Members, Friends and Family of UQ Rugby,

The UQ Red Lions AFC (UQ AFL Club) would like to offer it's condolences for the tragic loss of UQ Rugby player, Halley Appleby, this weekend just gone.

Our thoughts and prayers go out to all those affected by this devastating accident and especially to the Appleby family.

As a sign of respect, we will be asking all UQ Red Lions to wear a black armband at this weekend's games in memory of Halley.

If there is anything that the UQ Red Lions can do to help the UQ Rugby Club or the Appleby family, please do not hesitate to get into contact with me via details below.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Scott Young'. The signature is stylized and fluid, written over the printed name.
